Dear Walter,

This is just a short note to sincerely thank you for the exceptional work done by you and your team while working in Kamloops on our Locomotive Project. We have thoroughly enjoyed our relationship with your company, especially because you have been so helpful. Your broad knowledge and willingness to assist at all times has made a great contribution to the completion of this project that is of the highest importance to our operation in Kamloops.

We thank you for the time and thought you put into this project as well as for taking care of all the details of this complex undertaking.

We are very appreciative of your and your team's knowledgeable support and continuous cooperation. It was a pleasure to work with such a professional and courteous team. I trust we will have the opportunity to continue our cooperation and work together on more projects in the future.

Best regards,

Nina Plag
